ABOUT US

Incepted in the year 1982, Abhishek Bricks is among the excellent organizations betrothed in the domain of manufacturing, supplying and trading of Fly Ash Bricks, Red Bricks, Cement Bricks, Fly Ashes, Coal Ashes and Soil Bricks. Our provided collection of products are highly recognized and acknowledged. Widely appreciated and attributed in the market for their reliability and sturdiness, these are highly recognized and demanded. Apart from this, these are examined and tested on a diverse of characteristics before finally providing them to our valued patrons. Apart from this, we also promise to offer these within assumed time frame.

**We have
an adroit crew with us who are
amongst some of the most well-informed
employees present in the market.**

Some of the foremost employees of our team encompass organizational staff, acquiring administrators, quality examination managers and R & D personnel. Working in close coordination with one another, they assure of finishing all the assortments of post-production in the effectual possible manner. Along with this, we provide regular training sessions and workshops at our end to update their understanding and skills in this domain. Under the guidance and management of Mr. Abhishek Purohit, we have mustered a foremost importance and standing in the marketplace. His strong business proficiency and huge know-how of this market has assisted us in taking our organization towards newer heights of accomplishment.

COMPANY HISTORY

The company "Abhishek Bricks" was established by Mr. Rajendra Purohit, in the year 1982. He came from a small village situated in Rajasthan in the year 1970 to Indore in search of a job. He started working at a very early age of 16. He worked in labor, from morning to evening, and from evening to night he worked in a newspaper printing press, He only slept for 5 hours a day. He worked very hard until he achieved his life goal. While working as an employee, deep down he had known what he wants to achieve in his life. He always used to say that "Whether the business is small or big, it should be yours".

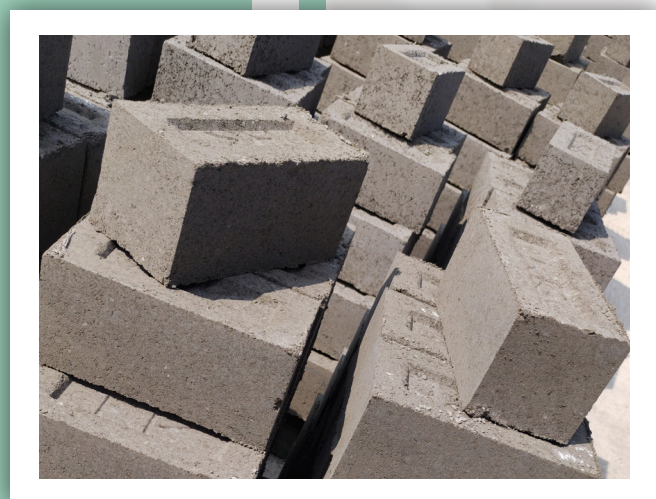

And his hard work paid off, in 1982 he started his own bricks manufacturing unit, through his effective & efficient management the sales has been started, and the business going good. Time passes and in the year 2000 Mr. Rajendra decided to hand over this business to his son Mr. Abhishek Purohit. Mr. Abhishek is also a very hardworking person like his father. In the year 2008, he started one more brick manufacturing unit. He possesses good management and leadership skills, through this ability he made good relations in the corporate world. He worked with such big players in the market like Tata group, Infosys, Symbiosis, HAL, and HPCL and so on. The motto of the company is to provide a quality product to the customers. And now we are serving our products to overseas market to avail the best products among other countries.

PRODUCTS

FLY ASH BRICKS

We being an eminent business name are readily to our customers a broad range of Fly Ash Bricks. The material used in their fabrication is sourced from certified sellers of the industry after strict quality examinations. Besides this, these could be altered to match with the altering desires and requisites of our customers.
